

play equipment

Wide slide (1,00 m) flange fastening

item number

041442001**product description** (page 1)

One-piece stainless steel structure with additional support for slide run-out section. Slide of low noise level thanks to trough-shaping. Slide installation either on a strip footing or another appropriate surface (wooden platform or planking) to be determined on site. Please see to appropriate ground surfacing by means of e.g. a wooden platform or plank or a concrete strip-footing.

For your planning, due to a possible sliding surface heating, please see to a north-east orientation of the slides or provide half-shade of trees.
