

play equipment

Tunnel spiral slide 30°/38° (6,00 m)

item number

941000210**product description** (page 1)

Sliding segments made of stainless steel, welded to a three-part slide for transport reasons, including flange connection at the point of separation for easy assembly by screwing on site.

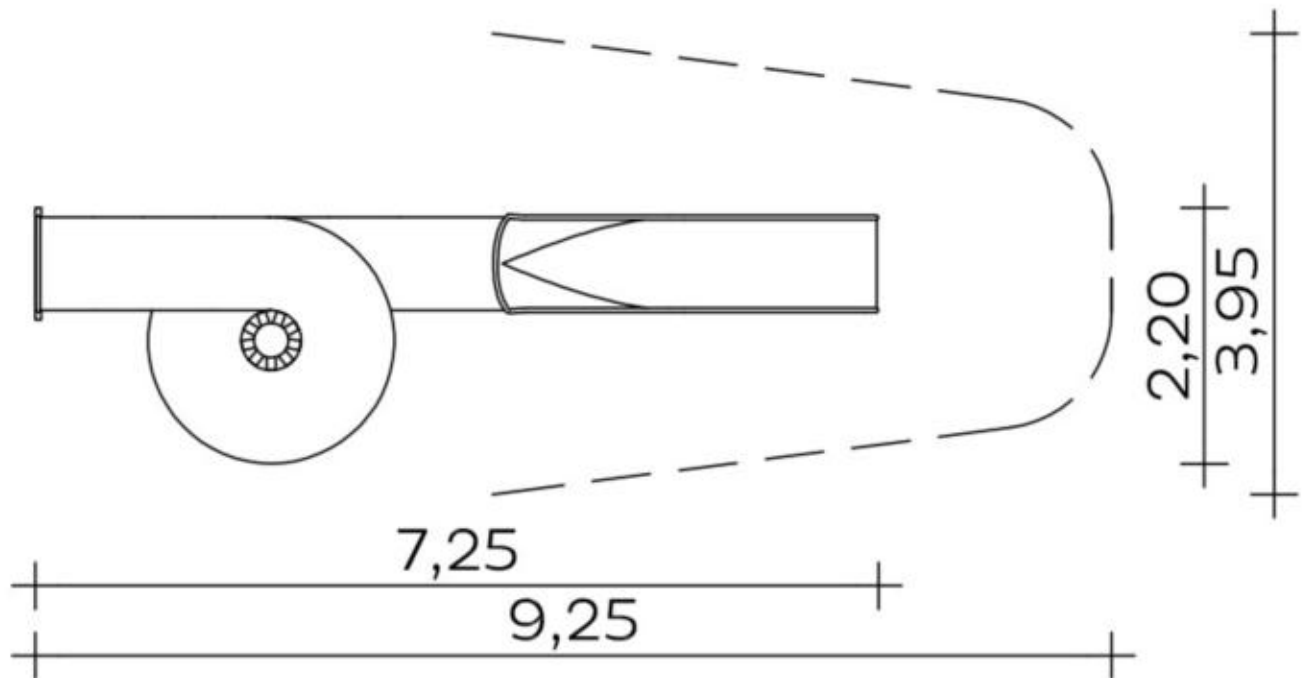

Slide installation either on a strip footing or another appropriate surface (wooden platform or planking) to be determined on site.

Course: spiral 360° to the right

For your planning, due to a possible sliding surface heating, please see to a north-east orientation of the slides or provide half-shade of trees.
