

play equipment

Roller slide (3,00 m)

item number

941000358**product description** (page 1)

Roller slide sections with interior handrail guideway made from stainless steel, one-piece welded assembly.
Grip openings on both sides of the entrance section. Light domes made from break-proof Polycarbonate.
Stainless steel rollers mounted to anti-friction bearings Ø 50 mm

Slide installation either on a strip footing or another appropriate surface (wooden platform or planking) to be determined on site.

For your planning, due to a possible sliding surface heating, please see to a north-east orientation of the slide or provide half-shade of trees.
