

play equipment

Cable ferry

item number

042505000**product description** (page 1)

- pontoon, welded structure made from stainless steel, material specification 1.4301
- platform, profiled wooden deck from grooved Accoya/trapezoid profiles 142 x 25 x 3000 mm
- handrail/rope guide, tubular stainless steel Ø 38x2/Ø 30x2 mm

Please note:

1. For a safe and trouble-free use of the ferry when used by several children or adults, a water depth of at least 0,60 m is essential to avoid hitting the ground. Please be aware of the duty to supervise young children and individuals who are particularly vulnerable.
2. Outside Germany, please respect corresponding national regulations with regard to water and water depths on public playgrounds or in leisure parks.
3. In order to ensure a sufficient rope tension and a correspondingly small sag of the rope, the maximum length of the ferry rope is restricted to 30,00 m.
