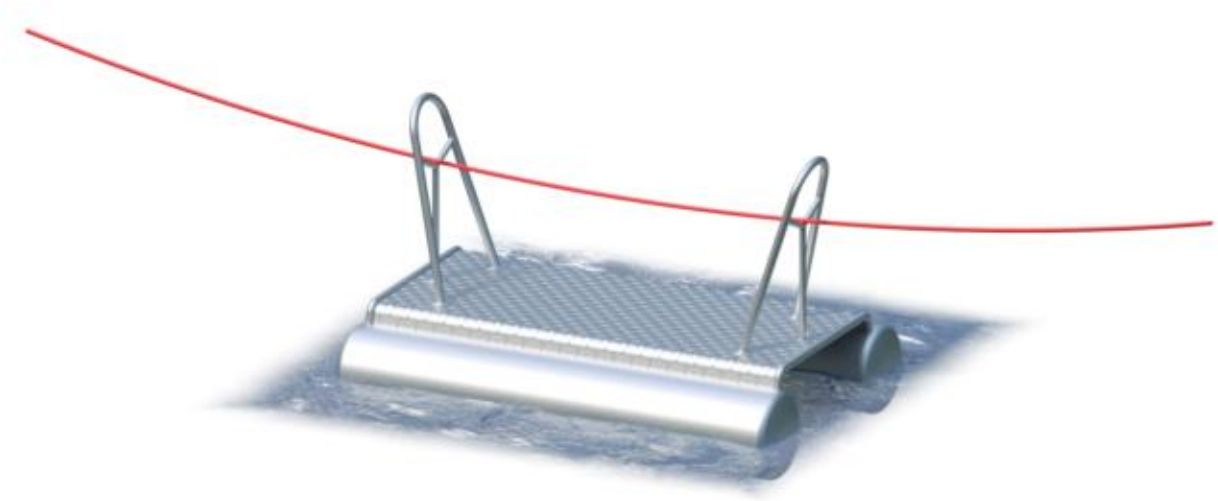
Kaiser & Kühne

play equipment **Cable ferry**
item number **042500001**

product description (page 1)



- pontoon, welded structure from stainless steel
- platform from profiled stainless steel
- handrail, stainless steel tube detachable Ø 38 x 2 mm
- carrying capacity 200 kg

Please note:
1. For a safe and trouble-free use of the ferry when used by several children or adults, a water depth of at least 0,60 m is essential to avoid hitting the ground. Please be aware of the duty to supervise young children and individuals who are particularly vulnerable.
2. Outside Germany, please respect corresponding national regulations with regard to water and water depths on public playgrounds or in leisure parks.
3. In order to ensure a sufficient rope tension and a correspondingly small sag of the rope, the maximum length of the ferry rope is restricted to 30,00 m.
