

play equipment

Upper body exerciser

item number

057134001**product description** (page 1)

Post: tubular steel Ø 121 x 4 mm, hot-dip galvanised, powder-coating on choice according to RAL colour chart (except luminous or glimmer colours)

Rotating disc: highly weather-resistant coloured HPL panel, 15 mm

Metal components: stainless steel

Please note

The device is optionally available as permanently installed public playground equipment (certified according to EN 1176) or as permanently installed outdoor fitness equipment (certified according to EN 16630).

If it is placed as fitness equipment, information on function and safety must be provided in close proximity. This can be done by means of an optionally available station signboard.
