

play equipment

**Water dispenser including winter season cover**

item number

**033119003****product description** (page 1)

Stainless steel construction with magnetic valve control for a direct connection (3/4 in.) to a pressurised water supply (equal to or larger than 1/2 in. respectively equal to or larger than DN 15).

Control unit consisting of control module, watertight shrink-wrapped 6V battery, Piezo pushbutton. Preset manufacturer default for hygienic rinsing procedure (12 hours after final use).

Including winter season cover panel.

**Please note:**

Depending on the water cleanliness (particulate material etc.) we strongly recommend to install a fine filter (e.g. K&K item no. 3990039) to prevent dirt from affecting the function of the water dispenser or even from its failure.

**Installation and connection of the water dispenser have to be carried out by a suitably qualified plumber.**
