

# Instructions for maintenance

We recommend, in addition to our instructions for maintenance, to consider carefully the demands of EN 1176-7

## Hill Slide (2,20) incl. square platform 0,20

**0-41822-701 m**

Check all screw connections; if necessary screw down again.

one-time only approx. 4-5 weeks  
after installation

### Recommendations about regular maintenance

|                                                                                                                                                                    | 1 x weekly               | 2 x monthly                         | 1 x monthly                         | 4 x yearly               | 2 x yearly                          | 1 x yearly                          |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|-------------------------------------|-------------------------------------|--------------------------|-------------------------------------|-------------------------------------|
| <input checked="" type="checkbox"/> Check connection between Robinia post and steel pedestals, screw down bolts if necessary, replace Robinia post if necessary    | <input type="checkbox"/> | <input type="checkbox"/>            | <input type="checkbox"/>            | <input type="checkbox"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/>            |
| <input checked="" type="checkbox"/> Check cleanliness of play- and safety area, take out alien elements                                                            | <input type="checkbox"/> | <input type="checkbox"/>            | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/>            | <input type="checkbox"/>            |
