

Instructions for maintenance

In addition to the manufacturer-related service instructions, we strongly advise the operator/owner to consider the corresponding prescriptions of the European Standard EN1176-7.

060442000 Bench (six-seater, armrest)

One-time maintenance

(exemplary colour illustration)

Check all screw connections; retighten, if necessary. Cover the screws with protective screw caps.

once, approx. 4-5 weeks after installation

Recommended regular inspection and maintenance	once a week	twice per month	once a month	four times a year	twice a year	once a year
 Check cleanliness of playing and safety area. Remove any foreign object		<input data-bbox="1050 1043 1110 1102" type="checkbox"/>	<input data-bbox="1139 1043 1200 1102" type="checkbox"/>	<input data-bbox="1225 1043 1286 1102" type="checkbox"/>	<input data-bbox="1311 1043 1372 1102" type="checkbox"/>	<input data-bbox="1394 1043 1455 1102" type="checkbox"/>
 Check tightness of stand construction: stability of (vertical) posts or supports, retighten screw connections, if necessary.	<input data-bbox="960 1120 1021 1178" type="checkbox"/>	<input data-bbox="1050 1120 1110 1178" type="checkbox"/>	<input data-bbox="1139 1120 1200 1178" type="checkbox"/>	<input data-bbox="1225 1120 1286 1178" type="checkbox"/>		<input data-bbox="1394 1120 1455 1178" type="checkbox"/>
 Check further structural components for wear and tightness; retighten, if necessary and replace defective parts.	<input data-bbox="960 1196 1021 1254" type="checkbox"/>	<input data-bbox="1050 1196 1110 1254" type="checkbox"/>	<input data-bbox="1139 1196 1200 1254" type="checkbox"/>	<input data-bbox="1225 1196 1286 1254" type="checkbox"/>		<input data-bbox="1394 1196 1455 1254" type="checkbox"/>
 Check foundations and structural construction for corrosion or decay, repair or replace if necessary	<input data-bbox="960 1272 1021 1330" type="checkbox"/>	<input data-bbox="1050 1272 1110 1330" type="checkbox"/>	<input data-bbox="1139 1272 1200 1330" type="checkbox"/>	<input data-bbox="1225 1272 1286 1330" type="checkbox"/>	<input data-bbox="1311 1272 1372 1330" type="checkbox"/>	

Please note: The above-mentioned maintenance intervals only have recommendatory character. They must necessarily be adapted to the local circumstances of each playground (frequency of use, social setting, risk and frequency of vandalism etc.).
